WHERE YOU ARE?

A lot of folks who visit Olga Gallery, Café, & Bistro ask about the amazing building it's situated in. Well...the Gallery area many local folks remember as the Rexall Drugstore & the Café & Bistro area as Moren's Dress Shop.

The exquisite locally milled oak interior was the vision of notable entrepreneur & cable TV pioneer John Rigas & his wife, Doris. A superb local craftsman spent about one year installing the cherry stained locally milled woodwork. After purchasing the building local artist Olga Snyder painted its interior walls. Now it is the home to a vast array of Olga's artwork, jewelry, & hand knits.

Olga has created all of the paintings, prints, hand-painted glass, hand-knit items, & a lot of the jewelry. Olga Gallery also features the work of other local, regional, national, & international artists.

Olga Café has live music on every Thursday & most Saturday evenings. Olga Gallery, Café, & Bistro is a lovely & creative marriage of seriously good art, music, food, & drink. Please enjoy!
